Re: 2022 Celebration of Haitian Heritage Month

Dear Partners and Friends:

The honor of your participation is requested at the 6th Annual Celebration of Haitian Heritage Month. Due to the continuing pandemic, we will host another **virtual** event from **12 to 1:30 PM on Saturday, May 21, 2022** live on Zoom. The link will be sent after you register.

Your tax-deductible contributions support students of Haitian descent in New Jersey graduating from Asbury Park, Neptune, and Ocean Township High Schools.

We acknowledge all sponsors and donors on our social media. A member of our team will call you soon. Please help us raise \$5,000 for scholarships, community awards, and minimal event expenses. We suggest \$100 to \$500, or what you can. Donate using the QR code above, <http://annualhaitianflagday.eventbrite.com>, [https://cash.app/\\$NJHaitiPartners](https://cash.app/$NJHaitiPartners); or make checks payable to NJ-Haiti Partners, and send to Ms. Laurene Experience, 1469 Fernote Street, Rahway, NJ 07065.

Thank you in advance for your participation and generosity.
